Affiliation Fees

Affiliation fees are a yearly fee (\$100) currently paid per association.

This fee allows associations to enter teams at the NZMMNA sanctioned tournaments.

It allows players from the affiliated associations to be eligible for trials and NZ selections.

An association does not have to enter a team at a National tournament to be affiliated, they can decide to pay the annual fee and then be included in the following -

- Newsletters emailed directly to the associations contact people.
- Posts from NZMMNA put up on the affiliated associations' face book pages.
- A vote at the AGM
- A seat on the executive committee
- Any other correspondence about upcoming decisions, communications and events.
- Be involved and participate in the direction that NZMMNA is heading
