Affiliation Fees

Affiliation fees are a yearly fee (\$100) currently paid per association. Paid at the first NZMMNA sanctioned tournament of our financial year (1st December – 30th November).

This fee allows associations to enter teams at the NZMMNA sanctioned tournaments.

It allows players from the affiliated associations to be eligible for trials and NZ selections.

An association does not have to enter a team at a National tournament to be affiliated, they can decide to pay the annual fee and then be included in the following -

- Newsletters emailed directly to the associations contact people.
- Posts from NZMMNA put up on the affiliated associations' face book pages.
- A vote at the AGM
- A seat on the executive committee
- Any other correspondence about upcoming decisions, communications and events.
- Be involved and participate in the direction that NZMMNA is heading

Club Champs

This used to be a fiercely contested tournament from club teams around the country. 2015 sees the executive committee looking to resurrect this. In the past it was contested by the top two teams from The Southern region (whole of the South Island), Central Region (Wellington and Central districts – Taranaki, Manawatu and Hawkes Bay), Northern Region (Auckland Northland, Waikato and Bay of Plenty).

More details will be forthcoming however if you are playing in a club competition I suggest you play hard as if your team finished one of the top two we could see you at Club Champs.

Regional News and Events

This is to allow you to support the local competitions that are organised across the country. Contact details for associations across the country can be found at the below link.

Masters Final

This year saw four teams contesting a very competitive masters grade. Waiheke appearing in their first mixed nationals made it through to the final were they met North Harbour. North Harbour came out on top with a 55-24 win.

Player of the Match: David Mayson

Open B Final

This final was played out between Waikato Tainui A and Canterbury B. Both these times really pushed for play off spots in the A grade but unfortunately didn't quite get there so the B grade final between these two teams promised to be a tough game. Waikato Tainui A winning 55 – 45.

Player of the Match: Dillon Rota (Waikato Tainui A).

Unders Final

The unders grade has some great up and coming talent which has been on display over the weekend. The final was contested between the North Harbour 23's Vs North Harbour 19's. The North Harbour 23's winning 80-46

Player of the Match:

Troy Skipworth (North Harbour 23)

Unders Tournament Team.

Open A Final

Played between old rivals North Harbour and Canterbury. However this year saw the North Harbour second team beat their first team to advance through to the finals. North Harbour 2 pushed Canterbury A into extra time before finally closing out the match 65 - 64.
